## *UM-BTF-5000*

### *Belt System*

United's UM-BTF-5000 is our new state-of-the-art, ergonomic belt table equipped with the United 5000 flange machine for increased production. It will produce perfect corners using a new operation.

### **PTP Parts - 1 Year Guarantee**

This machine comes with our patented PTP "Black" parts that we guarantee to not wear out in your machine for 1 year.

Patented PTP technology is a special surface treatment patented by Jumpsource for metal components, allowing fast-moving parts and components to achieve exceptional strength, durability, and increasing life.

SPECIFICATIONS	UM-BTF-5000
Max sewing speed (rpm)	3600
Recommended sewing speed (rpm)	3200
Max panel thickness	4" (100mm)
Min panel thickness	½" (12mm)
Stitches per inch (spi)	3.5
Needle height	39/64" (15.5mm)
Yield	850+/- panels/8 hours
Presser foot height	39/64" (15.5mm)
Voltage	220/200 single phase
Current (amps)	30
Seam width	1" (25mm)

Our UM-BTF-5000 belt system deskills a difficult application while improving quality.

- Help reduce operator fatigue
- Increase operator productivity
- Create more consistent size panels
- Belt system automatically turns the panel
- Automatic flange material cutter and re-position system

Sourcing Unlimited's two companies, United Mattress Machinery and Jumpsource, are industry leaders in producing the highest quality of machinery and aftermarket parts.
